United States Air Force Thunderbirds to Headline

SACRAMENTO, CA – December 4, 2017 – California Capital Airshow (CCA), presented by Sacramento County in partnership with the City of Rancho Cordova, will thrill spectators of all ages using the power and magic of flight as they host the thirteenth annual airshow at Mather Airport on September 21-23, 2018. The three-day event includes a Friday night ‘Airshow After Dark’, as well as two full days of heart-pounding aerial performances and aircraft displays.

The United States Air Force Thunderbirds flight demonstration team returns to Sacramento for the first time since 2015 to headline the event. In conjunction with this year’s show, Mather Airport celebrates 100 years as a pivotal fixture of aviation in the greater Sacramento region.

“We are thrilled to welcome back the USAF Thunderbirds to the Sacramento!” said Darcy Brewer, executive director, California Capital Airshow. “The Airshow will kick-off Mather Airport’s monumental 100th birthday celebration in a big way. As the sun sets on Friday, September 21, the skies over Mather Airport will ignite with a feast for the senses as thrilling jet and aerobatic performers light up the sky with streaming flares, showers of colorful bursts from their wings with thundering pyrotechnics and music as part of an unforgettable ‘Airshow After Dark.’
