What Does it Take to Make the BIG Show Go? *Community Members Invited to Join the Airshow Team*

SACRAMENTO, CA – August 15, 2022 – California Capital Airshow (CCA), presented by Sacramento County in partnership with the City of Rancho Cordova, is looking for Sacramento’s finest volunteers to join the Airshow team for a weekend of hard work and tons of fun featuring the hottest jets in North America and the coolest pilots in the world!

Volunteering for the 2022 Airshow gets you a backstage pass to the sights, sounds and excitement of this massive festival from the ground up and the chance to play a role in delivering an exceptional experience for enthusiastic families from across the region.

“Airshow volunteers play a vital role in supporting the mission of the nonprofit Airshow -- to inspire young people using the power and magic of flight,” says Ronlyn Vasconcellos, CCA volunteer coordinator. “Many have served for a decade or more and they build a great deal of community around this event while experiencing the behind-the-scenes excitement of helping to produce this massive aviation festival. Warning: Volunteering at the Airshow can become addictive.”

The Airshow is looking for adults, age 18 and older, to volunteer their time working from 1pm-8pm Friday, September 30 and 9am-5pm on Saturday, October 1, and Sunday, October 2, 2022. Volunteers will be fed, provided water throughout the day, receive an awesome ‘Airshow Crew’ t-shirt, the chance to make some new friends and our deepest gratitude for supporting this nonprofit event.

If you enjoy helping people (LOTS of people!), are customer service minded, appreciate a fun, fast-paced, high-energy work environment on your feet, outdoors in the sun – this project is for you! Don’t miss the action! For details or to register to become a volunteer, please visit:
